Some rambling from the AnCo² team.

Red ~ Sup, Red here, well this chapter was a short one, I cant really say the same about the next one. Some of you might know what's coming, and well, lemme tell you, its going to be EPIC, also the longest, hardest, most [illegible] chapter we have ever done. Ive already spent over 10 hours of work on it. And many more will be needed. Anyways, half of the cleaning of this chapter was done by me drunk and nekkid, just so you guys l[illegible] :3

Kryss ~ This chapter was translated to the sound of Triangular from the Macross F soundtrack. If you haven't listened to it then DO IT!
Now then, where did I leave my box of Gartai..
